Determining handing for door hardware is different than determining handing for carpentry (ordering and hanging doors). If you follow the standard carpentry rules for handing door hardware, instead of following the diagram below, there is a good chance you may end up with a lock that is handed incorrectly. Please refer to the diagram below and if you have any questions, call Customer Service at (800) 356-2741, Option 1.

HANDING OF DOOR IS ALWAYS DETERMINED FROM THE OUTSIDE

- The outside of an exterior door is the street or entrance side.
- The outside of a room door is the hall side.
- The outside of a closet door is the room or hall side.
- The outside of a single communicating door is the side from which the hinges are not visible when the door is closed.

MINIMUM ADVERTISED PRICE POLICY

Effective February 6, 2017

EMTEK has determined that in order to better compete against existing competitors it must exercise a greater degree of control over the distribution of its products. Therefore, all sales of EMTEK products will be subject to this Policy. This Policy has been unilaterally adopted and will be enforced strictly and uniformly.

Although resellers remain free to establish their own resale prices, to the extent that any customer elects to advertise products of EMTEK in any manner, that is in print, in electronic media, on its website, etc., and provides price information for such products, that price information must be no less than List Price less 20%, this is the Minimum Advertised Price (MAP). Advertisements and offers to sell that do not include a particular price, but require further action that implies a price that is lower than the Minimum Advertised Price violate the MAP Policy. Examples of such unauthorized advertisements include "drop in cart" pricing, "add to cart" pricing, "click to see" pricing, and discount coupon pricing. Also prohibited are advertisements that indicate that discounts may be available when a customer takes specific action that goes beyond buying the product, such as "special price option" or "name your price."

To assure fair business practices, we will strictly enforce this policy. Violations of this MAP Policy will include termination of our business relationship with a customer. On the first offense there will be a written notice counseling any customer that disregards this policy. Any customer who violates the policy a second time, within one year of receiving a written notice of a first violation, will be terminated.

EMTEK will not discuss any conditions of acceptance related to this Policy, as it is non-negotiable and will not be altered for any dealer. In addition, EMTEK neither solicits, nor will it accept, any assurance of compliance with this Policy. Nothing in this Policy shall constitute an agreement between EMTEK and any reseller that the reseller will comply with this Policy. For more information, please email to: mapp.emtek@emtek.com

Works with the Yale Access App*

The easy-to-use Yale Access App offers trusted everyday convenience and security for your entire home.

- Share permanent, scheduled or temporary access with the people you trust.
- Manage all of your Emtek, Yale, or August Wi-Fi and Bluetooth products from one app location.

Features available with Wi-Fi module:

- View a 24/7 activity feed and receive real-time notifications, so you know who had access and when.
- Know that your home and belongings are secured from anywhere.

*App requires iOS or Android smartphones for installation, guest management and remote access. For use in US and Canada only.

Wi-Fi module allows your lock to communicate with the Yale Access app.

Move Over Keys! Say Hello to the Fingerprint Lock

Meet our newest door lock: the Emtek EMPowered™ 2. Our locks are now even smarter and more convenient with biometric capabilities built-in. It's time for your key to become nothing more than a back-up.

NEW FEATURE

Your fingerprint. The key you'll never lose.

Locking & unlocking your door is now even more convenient using just your fingerprint.

99% Fingerprint Accuracy **<0.5** sec Recognition Time

With a 99% accuracy and <0.5 seconds recognition time, your fingerprint is the fastest and most secure way to unlock your home.

Backlit Keypad

Capacitive touchscreen keypad wakes with a touch and has numbers that won't wear off.

Weather Protection

Rubber gasket increases protection against outdoor environments.

Motorized Operation

Quiet motor with tapered deadbolt that accommodates for misaligned doors.

Yale Access App is available on

*App requires iOS or Android smartphones for installation, guest management and remote access. For use in US and Canada only.

Unlock your way

Key-free access with keypad, Yale Access app on your smartphone, Auto-Unlock (optional) or with a simple key.

Expecting company?

No more hidden keys. Send custom entry codes to your loved ones and service people.

Don't worry, it's locked

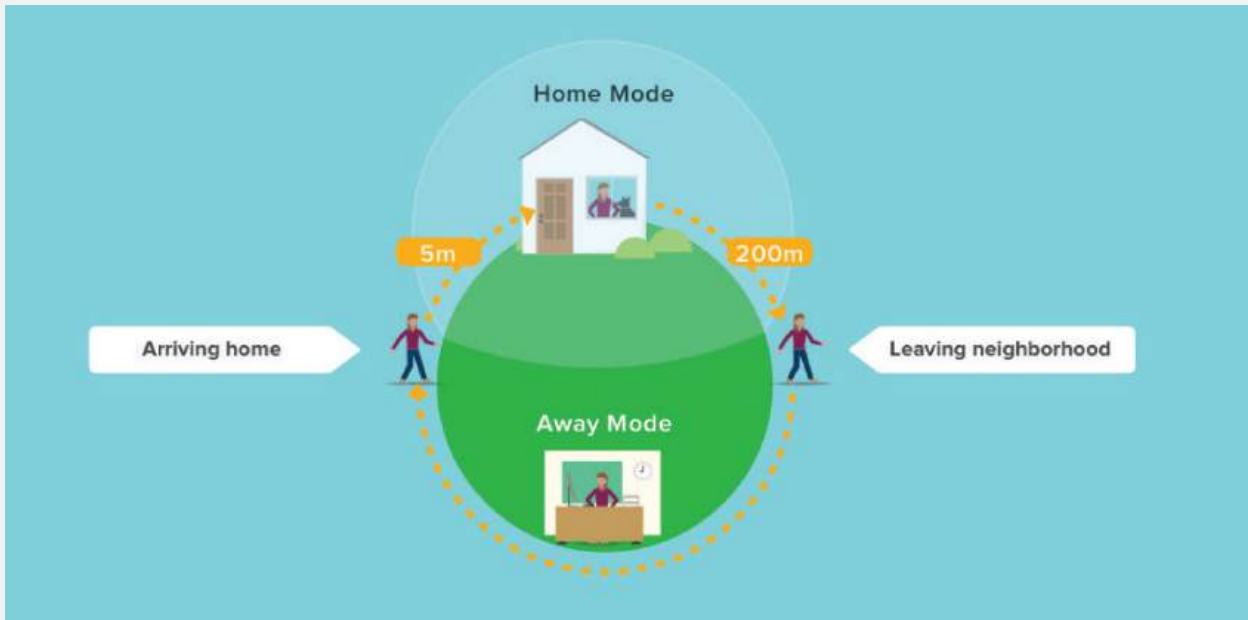

With Auto-Lock, you don't need to remember to lock the door.

Still the Smartest Lock Ever - Now, with Even More to Offer

Keep all the features you love from the original EMPOWERED™, like auto-lock with DoorSense™ technology, shared guest access with custom entry codes, and more! Plus, get remote access from anywhere in the world when you upgrade to Wi-Fi.

Auto-Unlock

Auto-Unlock provides added convenience when you arrive home and relies on your phone's Bluetooth, Wi-Fi and GPS to know if you're home or away.

Yale Access uses two modes to enable Auto-Unlock to function: **Home Mode** and **Away Mode**. These modes indicate where Auto-Unlock thinks you are: at home or away from home.

When you are at home (in **Home Mode**), Auto-Unlock is not actively doing anything. It is waiting until you leave home.

When you approach your door, Auto-Unlock will unlock your door via Bluetooth. This means Auto-Unlock cannot operate your lock when you are away from home.

You are considered away from home when you leave your immediate neighborhood, which is about 200 meters, or a couple city blocks. It is only active when you return to your home area.

Works With

EMPowered™ 2 smart locks work in harmony with some of your favorite smart home brands to make life more simple and secure.

All partner integrations work with Wi-Fi smart lock models. Bluetooth lock models only work with Apple Home and exclude other partner integrations.

LIFETIME LIMITED WARRANTY

Subject to the terms and conditions of this warranty, Emtek Products Group LLC ("Company") extends a lifetime limited warranty* to the original consumer user ("Original User") of our product ("Product") against defects in material and workmanship, as long as the Original User occupies the residential premises upon which the Product was originally installed.

**Electronic components warranted TWO (2) YEARS*

This warranty only applies to the Original User of the Products. This warranty is not transferable. This warranty applies to all products sold on or after April 2, 2012.

Original User: The Original User will return the defective Product to the retailer from whom it was purchased, accompanied by a statement of defects and proof of purchase.

What Emtek will do: Upon return of the defective Product to Emtek for inspection, free and clear of all liens and encumbrances and accompanied by the statement of defects and proof of purchase, Emtek's sole obligation, at its option, is to either repair or replace the Product, or refund the original retailer purchase price in exchange for the Product.

THE COMPANY MAKES NO OTHER WARRANTY OTHER THAN AS EXPRESSLY STATED HEREIN, AND ALL IMPLIED WARRANTIES, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ARE HEREBY EXCLUDED.

THE COMPANY'S MAXIMUM LIABILITY HEREUNDER IS LIMITED TO THE PURCHASE PRICE OF THE PRODUCT. IN NO EVENT SHALL THE COMPANY BE LIABLE FOR ANY CONSEQUENTIAL, INDIRECT, INCIDENTAL OR SPECIAL AND/OR PUNITIVE DAMAGES OF ANY NATURE ARISING FROM THE SALE OR USE OF THE PRODUCT, WHETHER BASED ON CONTRACT, WARRANTY, TORT, STRICT LIABILITY, PATENT INFRINGEMENT, OR OTHERWISE, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. Some local laws do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusion or limitation may not apply to you. This warranty gives specific legal rights and a buyer may also have other rights which may vary from state to state.

WHAT IS NOT COVERED: THE FOLLOWING COSTS, EXPENSES AND DAMAGES ARE NOT COVERED BY THE PROVISIONS OF THIS LIMITED WARRANTY: (I) LABOR COSTS INCLUDING, BUT NOT LIMITED TO, SUCH COSTS AS THE REMOVAL AND RE-INSTALLATION OF PRODUCT; AND (II) SHIPPING AND FREIGHT EXPENSES REQUIRED TO RETURN PRODUCT TO EMTEK.

THE PROVISIONS OF THIS WARRANTY DO NOT APPLY TO PRODUCTS: (I) USED IN COMMERCIAL APPLICATIONS; (II) USED IN COMMON AREA APPLICATIONS; (III) USED FOR PURPOSES FOR WHICH THEY ARE NOT DESIGNED OR INTENDED; (IV) WHICH HAVE BEEN SUBJECTED TO ALTERATION, ABUSE, MISUSE, NEGLIGENCE OR ACCIDENT; (V) WHICH HAVE BEEN IMPROPERLY STORED, INSTALLED, MAINTAINED OR OPERATED; (VI) WHICH HAVE BEEN USED IN VIOLATION OF WRITTEN INSTRUCTIONS PROVIDED BY EMTEK; (VII) WHICH HAVE BEEN SUBJECTED TO IMPROPER TEMPERATURE, HUMIDITY OR OTHER ENVIRONMENTAL CONDITIONS; OR (VIII) WHICH, BASED ON EMTEK'S EXAMINATION, DO NOT DISCLOSE TO EMTEK'S SATISFACTION NON-CONFORMANCE TO THE WARRANTY. Additionally, this warranty DOES NOT COVER scratches, abrasions, or deterioration due to the use of paints, solvents or other chemicals.

Finish Warranty: Polished Brass-Lifetime and Polished Nickel-Lifetime finishes carry a lifetime limited finish warranty. There is no finish warranty on Deep Burgundy, Flat Black Patina, Medium Bronze Patina, Polished White Bronze, Rust, Silver Patina, Tumbled White Bronze and Unlacquered Brass finishes. All other finishes carry a five-year finish warranty.

Emtek SELECT Lever and Knob(s) with Marble, Terrazzo, and Walnut handles feature a living finish that will age gracefully and evolve over time, enhancing the character of your space.
