➤ The Black Artists + Designers Guild teamed up with S. Harris to create the **Orejen Collection** of fabrics, trims, and wallcoverings. The line is thoughtfully inspired by the textures, colors, and topography of East Africa, Southeast Asia, and the Pacific Islands. The Martin Group, Boston Design Center, martingroupinc.com

↘ Bunny Williams serves up this year's must-have accessory—pleated fabric shades—with loads of charm. **Brook, Lafayette, and Vera Lampshades** by Bunny Williams Home seen here. Kravet, Boston Design Center, kravet.com

↗ Woven caning sits well with the 1970s-inspired shape of Mitchell Gold + Bob Williams's **Kirby Caned Chair**. Boston, Natick, and Burlington, Mass., mgbwhome.com

Spring brings soft hues, natural elements, and textures that want to be touched.

↘ British textile designer Neisha Crosland creatively reimagines natural elements in her

Espalier Collection for Schumacher.

↑ Inspired by intertidal pools, the new Barnacle Collection by Hwang Bishop celebrates the place where sea meets land. Shown here, the **Barnacle | Cluster Pendant**. Warren, R.I., hwangbishopdesigns.com

→ Ferrell Mittman's new **Silas Dining Table**'s round shape encourages guests to linger long after the meal is finished. Boston Design Center, ferrellmittman.com

➤ The **Emile** freestanding cast-iron tub sheathed in hand-polished brass is a decadent work of art for the bathroom. Waterworks, Boston Design Center, waterworks.com

➔ Designs from the archives of Vermont's iconic Shelburne Museum inspired Garnet Hill's new bedding line, which includes the **Shelburne Church-Windows Blanket**. garnethill.com

➤ From the Workshop/APD x Arteriors collection, the **Bend Accent Lamp** is petite in stature but big on style, with its smoky glass and antique brass. Bodega, Nantucket, Mass., bodeganantucket.com

After spending so much time at home, a dose of glamour makes our spaces feel special again.

➤ The new Resort Collection by Phillip Jeffries, featuring **The Grove** pattern, draws inspiration from favorite vacation destinations like Palm Beach and Palm Springs. Boston Design Center, phillipjeffries.com

➤ A single spoke bridges the body of the doorknob with its base in the **Spoke Knob**, designed by Will Zhang for Emtek. Richelieu Portland, Portland, Maine, richelieu.com
